

*Prompt, professional, & reliable service.*

## Getting Started

Choose a badge style, create a list of titles and names, colours, etc., and we'll do the rest.

Typical turn-around time is 1 to 2 weeks. Artwork proofs are available on request.

There is NO MINIMUM QUANTITY required, however larger quantities will attract discounted pricing. See our pricing structure table.

### FITTINGS

A, B and C badges are fitted with a strong, simple to use brooch pin.

PL and PC badges can have one of 3 fittings attached: 1) Brooch pins are standard with all PL and PC badges at no extra cost; 2) A strong swivel-clip (add \$1.50) can be turned to allow for pockets or lapels; or 3) A heavy-duty magnet (add \$2.50) lets you avoid piercing your garments with a pin.

Logos can be included if required.

Visit the Badges section at our website  
[www.lttc.com.au](http://www.lttc.com.au) or e-mail us to order.

Call to discuss your requirements or  
any questions you have.

Pricing discounts apply to the total quantity ordered, including batches in different styles, but does not include non-standard fittings or artwork costs.
